ESSAY

Susan Francis Schlaud Gormley was the daughter of Bernard and Ellen Schlaud and the loving and devoted wife to Daniel Gormley. Together, Daniel and Susan were raising their children, Kirsten, Karmyn, Matthew and Katelyn, when, at the age of 36, she was diagnosed with brain cancer.

Prior to her illness, Susan lived her devotion to our Lord and the Blessed Mother to whomever she came in contact with. Her humor, bubbly personality and warm smile made people comfortable in her presence. Susan was active in the Altar Society, was a CCD teacher for many years, sang in the church choir, and played many other active roles within our church. Susan was furthering her Catholic education by pursuing a degree in Catholic Theology at Sacred Heart Seminary in Detroit at the time of her death in 1990.

Please explain how your life does, or what your plan in life will be to, emulate Susan throughout your college years and beyond. Please stress the importance to you to have Jesus in your life and how, once your degree is achieved, you can be an example to others as Susan was to our parish community before her passing.
